

1. **Technical High School degree** "Industrial Technician with Specialization in Electronics and Telecommunications" - Date 23/10/1995 Prot. No. 0022154  
Issued by the Ministry of Education - G. Ferraris Institute of Belpasso (CT)
2. **Certificate of professional competence as a "Web Developer"**. Professional training course (from 16/07/2007 to 31/12/2007; 678 hours); Project n. IF2007A0195 - training offer 2007-P.R.O.F - Regional Educational Policy Plan EX L.R. 24/1976 - co-financed by: Regional Department of Labor of Sicily, Professional Training and Emigration - European Social Fund P.O.R. N° 1999.IT.16.1.PO.01173.02 / 7.2.4 / 913.  
Location: C&B srl training institution, with final exam (oral and written examination) on 19/05/2008 – issued Issued by C&B S.r.l. - Organization of training – Catania on 28/07/2008 - Protocol 100706
3. **Manager of the working group** - "*Design and development of the structure and graphic interface of the website of the Institute of Biomolecular Chemistry*".  
Date 17/02/2021 Protocol n. 000549 - Issued by CNR - ICB  
Activity Time, from 17/02/2021 to date.
4. **Management of the protocol activity**; IT Protocol Service and Document Flow Management of the AOO - Institute of Biomolecular Chemistry  
Date 14/01/2015 Protocol 0000126  
Issued by CNR - ICB Institute of Biomolecular Chemistry  
Activity Time, from 14/01/2015 to date
5. **Appointed as treasurer of the Institute of Biomolecular Chemistry - secondary office in Catania** - CDS 019.002.000 - Date 14/01/2021 Protocol 00098  
Issued by CNR - ICB Institute of Biomolecular Chemistry  
Activity Time, from 01/01/2021 to 31/12/2021
6. **Assigned as Coordinator of the Inventory for ICB secondary office in Catania**  
Date 14/01/2015 Protocol 0129  
Issued by CNR - ICB Institute of Biomolecular Chemistry  
Activity Time, from 14/01/2015 to date
7. **Appointed for the management and disposal of special waste for the branch of Catania of the Institute of Biomolecular Chemistry**  
Date 26/04/2016 Protocol 001376  
Issued by CNR - ICB Institute of Biomolecular Chemistry  
Activity Time, from 23/04/2013 to date
8. **Appointed as Head of Graphic Design, creation, layout and design of brochures, posters, catalogs, leaflets and information leaflets - dissemination and/or publication of events and activities whose the Institute of Biomolecular Chemistry is involved**  
Date 23/05/2016 Protocol 001769  
Issued by CNR - ICB Institute of Biomolecular Chemistry  
Period of activity from 24/10/2014 to date

9. **In charge for the Graphic design** and creation of the website, promotional and advertising material linked to the project "Chemical technologies enabling to health and the environment" (CIP 2014. IT. 05.SFO.014/3/10.4/9.2.10/0003 CUP: G67B17000150009) submitted within the public fund released from Sicily Region entitled "STRENGTHENING THE EMPLOYABILITY OF R&D AND THE BIRTH OF RESEARCH SPIN OFF IN SICILY" (Notice 11/2017, DDG n. 284 of 26/01/2017) PO ESF SICILY 2014 - 2020).  
Institute of Biomolecular Chemistry, branch of Catania  
Data 04/12/2017 Protocol CNR-ICB 004760  
Issued by CNR - ICB Institute of Biomolecular Chemistry  
Activity Time, from 04/12/2017 to 03/12/2019
10. In charge for the Graphic design and creation of the website, promotional and advertising material concerning the advertising note 11/2017 for selection calls for development of banners inserted in the newspaper "LA SICILIA" on behalf of the CNR-IBAM institutes; CNR-ICB; CNR-ISON; CNR-IVALSA; of the project "Enabling chemical technologies for health and the environment" (CIP 2014. IT. 05.SFO.014 / 3 / 9.2.10 / 0003 CUP: G67B1700150009) presented as part of the public notice of the Sicily Region "STRENGTHEN EMPLOYABILITY OF R&D AND THE BIRTH OF RESEARCH SPIN OFF IN SICILY "(Notice 11/2017, DDG n. 284 of 26/01/2017) PO FSE SICILIA 2014 - 2020).  
at the Institute of Biomolecular Chemistry, branch of Catania
11. **In charge for the "design, development, implementation and support for the management of the website: <http://convegno2018.icb.cnr.it>"** concerning the "V Conference of the Institute of Biomolecular Chemistry", Institute of Biomolecular Chemistry branch of Sassari, from 19/09/2018 to 21/09/2018.  
Date 24/04/2018 Protocol 001730  
Issued by CNR - ICB Institute of Biomolecular Chemistry  
Activity Time, from 24/04/2018 to 31/12/2018. (Date for the closure of the site)
12. **Appointed as a member of the organizing committee for the "VI Conference of the Institute of Biomolecular Chemistry"**, at the Institute of Biomolecular Chemistry, branch of Catania, held from 20/05/2019 to 22/05/2019 with the following activity: design and graphics.  
Date 27/11/2019 Protocol 004159  
Issued by CNR - ICB Institute of Biomolecular Chemistry  
Activity Time, from 27/11/2019 to 22/05/2020.
13. **Assignment for the "design, development, implementation and support for the management of the new website: <http://www.ct.icb.cnr.it>"** of the Institute of Biomolecular Chemistry, branch of Catania.  
Data 24/04/2018 CNR Protocol - ICB 001730  
Issued by CNR - ICB Institute of Biomolecular Chemistry  
Activity period from 20/01/2020 to today.
14. **Appointment as a member of the organizing committee of the "V Conference of the Institute of Biomolecular Chemistry"**, at the Institute of Biomolecular Chemistry secondary office of Sassari, held on date from 19/09/2018 to 21/09/2018 with the following working task: design and graphics.  
Data 01/02/2018 Protocol 00438  
Issued by CNR - ICB Institute of Biomolecular Chemistry  
Activity Time, from 01/02/2018 to 21/09/2018.
